MEMORIAL
FOOTBALL

The request made by the McKinley Memorial Committee to the Association Football League that they play a match for the benefit of the fund has met with a hearty response. Messrs. J. L. Cockburn and R. Anderson were appointed by the league to carry out the arrangements and entered upon their task with great good will. The game will come off on Saturday next at Punahou, and will resolve itself into an international contest—Scotland versus the rest of the world—and the best Association players in Honolulu will give their services. The teams will be as follows:

Scotland—Goal, Fenwick; fullbacks, R. Anderson and McGill; halfbacks, Cockburn, Kay and Brown; forwards, Fiddes, Guild, Boyle, Munro and McWhirter.

Rest of the World—Goal, Duisenberg; fullbacks, Beardmore and Harvey; halfbacks, Osborne, Churton and Anderson; forwards, Morse, Blackman, Simpson, Lansdale and Bayer.

Blackman will captain the World's eleven and McWhirter will be skipper for Scotland. The match will certainly be one of the keenest games ever seen in Honolulu, for not a Scot in town has forgotten their defeat on New Year's day, and they will struggle hard for a victory.

The attraction is a double one, however, for at the close of the football game, Professor A. Leonard, the aeronaut, will make a sensational balloon ascent and parachute drop at the Punahou grounds, and holders of tickets for the football game will also be entitled to see the Professor's aerial flight.

The government band will be in attendance and everything possible will be done to make the gathering a brilliant success, and at the same time add considerably to the fund.

Both football teams were practicing hard at Makiki last night, preparing to do themselves full justice on Saturday.

DUAL MEET
WILL OCCUR

Kamehameha School and Punahou College have come to an understanding with regard to their dual athletic meeting, and the result is that the annual contest for field and track supremacy between the representatives of the two institutions will take place next Saturday afternoon at Kapiolani Park.

The difficulty had been over two of the events, the 50-yard dash and throwing the discus. Oahu College wanted them thrown out of the program, and the Kamehamehas wanted them included. Until Tuesday night it looked very much as if there would be no meeting at all. The Kamehamehas at the last moment, however, decided to waive their demands and go into the thing, anyway.

The contests will now surely take place, and the meeting should be as exciting as the memorable one of last year, when the Oahuans defeated the Kams by a single point. Following are the entries and events in their order:

ALTGELD IS DEAD.

Former Illinois Governor Succumbs to Stroke of Paralysis.

JOLIET, Ill., March 12.—Former Governor John P. Altgeld died at the Hotel Munroe this morning at 7:09 o'clock. After becoming unconscious, shortly before midnight, he remained in that condition until death. At 3:10 o'clock this morning it was thought he had died, but he revived, and from that time until shortly before the end showed wonderful vitality, although he made no move.

In 1899 Altgeld was defeated for mayor of Chicago, and took his defeat very much to heart. His widow is prostrated by the death. Altgeld left a fortune estimated at from three to four million dollars.

Testa's Gem of Thought.

Agony upon agony is being heaped up and put on by certain parties in our midst, which is deemed very agonizing to some, of some and by some other parties. It is earnestly hoped that some "let-up" should be made by those complaining of being agonized by others beyond compare.—Independent.
